

Partnership Opportunities Extreme Hangout COP30 Belém

10th November - 21st November 2025

Executive summary

Now entering its fifth year, The Extreme Hangout is a highly engaging experience at COP.

- The Extreme Hangout is a climate action platform and community
- Our mission is to give change makers a voice, popularise the climate movement and inspire environmental action.
- We organise a 12 day impact event at COP each year with the UN organising committee and events called Extreme Hangout Locals with partners worldwide
- Since launch in 2021 we have run 21 events, hosted 1,000+ speakers from 140 countries and engaged 30,000 visitors
- We bring together thought leaders and changemakers to share the best sustainability practices and highlight actionable solutions to boost knowledge sharing and collaboration that advance climate action.
- We curate and post environmental video stories daily to our 20 million social media fans generating millions of impactful views per month.
- Free-to-enter, the Extreme Hangout is one of 'the places to be' during COP, packed full of education, entertainment, workshops, networking, content creation and inspiration.

*Cumulative total of Extreme's own social following and the 20 most influential speakers we have had at COP26, 27 & 28

WHY PARTNER WITH US AT COP

Extreme Hangout is one of the largest and most popular experiences at COP.

Partnership will allow your organisation to:

- Share your sustainability initiatives and highlight actionable solutions to boost knowledge and advance climate action.
- Create authentic connections with our global community passionate about protecting the planet;
- Engage internal teams to amplify your own sustainability efforts.
- Partnership packages for the Extreme Hangout at COP30 Belem start from US\$15,000.

EXTREME HANGOUT • COP30 Belém

The Backstory

"Extreme Hangout is the most beautiful, engaging event and maybe the coolest venue at COP27.

IVAN DUQUE MARQUEZ • FORMER PRESIDENT OF COLOMBIA

ABOUT EXTREME HANGOUT

FREE TO ACCESS • DYNAMIC • INCLUSIVE • AUTHENTIC

Inspired by our love of adventure sports and our passion to protect the planet, we created the Extreme Hangout in 2021.

As a climate action platform our collective mission is to popularise the climate movement, give changemakers a voice and inspire environmental action.

We enable engagement in the sustainability space by organising open to all climate action impact forums around the world and curating positive sustainability video stories that we share with 16 million of our social media followers each day.

At our events we bring together and unite thought leaders and changemakers to share the best sustainability practices and highlight actionable solutions to boost knowledge, connections and collaborations that advance climate action.

To date with all our wonderful partners we have delivered 21 events, 3 at COP, hosted 1,000+ speakers from 140 countries; engaged 30,000 visitors and delivered over 100 million video views and media reach to drive impact.

EXTREME **HANGOUT** OVERVIEW VIDEO

Extreme Hangout COP 30 Belém

"It is going to be an extremely intense year of action to ensure that COP 30 brings the best possible results."
André Corrêa do Lago - COP 30 President

Extreme Hangout COP 30

Parque da Residência Belém

**Extreme Hangout is pleased to announce its unique venue in partnership with
Residência, Belém
from 10th November to the 21st November 2025**

Úrsula Vidal at Parque da

Why Parque da Residência?

- Emotional and cultural anchoring—from Governors' House proximity to Amazonian symbolism.
- Blending formal "COP Green/Blue zone" gravitas with grassroots, public-facing inclusion.
- Embeds Pará's cultural identity and amplifies Ursula Vidal's public vision and legacy as Culture Secretary.

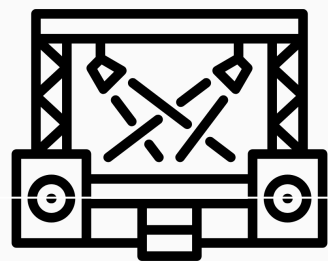

Now entering its fifth year Extreme Hangout is one of the most popular event experiences at COP

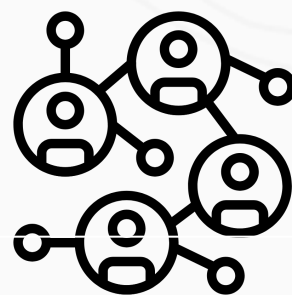

The Extreme Hangout at COP 30 is open to all, free to enter and is a place for networking, entertainment and learning

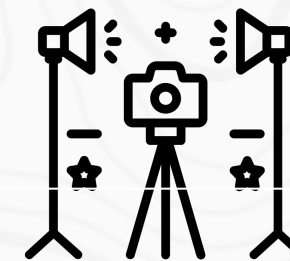

- Extreme Hangout combines talks from high-profile speakers, networking, experiential zones to engage, connect and empower changemakers.
- Mainstage - Panel discussions, keynote speakers, fireside chats, cinema screenings, live music
- Studio - for media partners, creators, leaders, CEOs and sponsors to create storytelling videos and thought leadership interviews
- Cafe & Bar - local & seasonal food and drinks, leading chefs and experiences in our all day cafe and evening bar. A place to hang out, share ideas, recharge yourself and your devices
- Experiential, creative and demo zone - showcasing the leading local and international brands & artists
- Outside Park Space - for art installations, wellbeing activations, creative interactive and the opportunity to relax

Extreme Hangout COP30 Daily programming

Some of the world's leading organisations, individuals will join us to inspire and drive debate, discussion & action. Jointly managed and curated with sponsors, NGOs and supporters our daily themes are:

- **Day 1 - The World is Watching**

An inspiring global opening ceremony highlighting how storytelling, media, and cultural influence shape climate narratives and public imagination.

- **Day 2 - Kicking Off the Climate Cup**

Exploring the climate crisis through the lens of sport – how changing weather, infrastructure and athlete activism are redefining the future of global games.

- **Day 3 - Voices of the People**

From protest art to ballot boxes, this day centers civic engagement, radical participation, and cultural expression as tools for justice and systemic change.

- **Day 4 - Planet on a Plate**

Delving into the climate cost of what we eat, this theme explores regenerative agriculture, ancestral foodways, ultra-processed diets, and the chefs leading change.

- **Day 5 - Powering the Future**

What will truly fuel a just energy transition? From bold debates over solar and nuclear to cities built for climate and culture, this is a dive into the systems, leaders, and solutions shaping our future – from clean water to global breakthroughs in electrification.

- **Day 6 - Tech it to the Next Level**

Cutting-edge or climate-washing? This day critically explores smart cities, AI tools, and green tech – asking who benefits, what works, and what's hype.

- **Day 7 - Style and Substance**

A stylish, sharp dive into the future of fashion – exposing the system's hidden costs and uplifting radical design, Indigenous textiles, and circular innovation

- **Day 8 - Culture of Care**

Mental, physical and planetary health come together here – with a focus on environmental justice, healing systems, spiritual well being, and community resilience.

- **Day 9 - Roots and Rhythms**

Rooted in music, story, and biodiversity, this day honors Indigenous knowledge as key to planetary healing – featuring live performance, deep conversation and land-based wisdom.

- **Day 10 - Street Smarts**

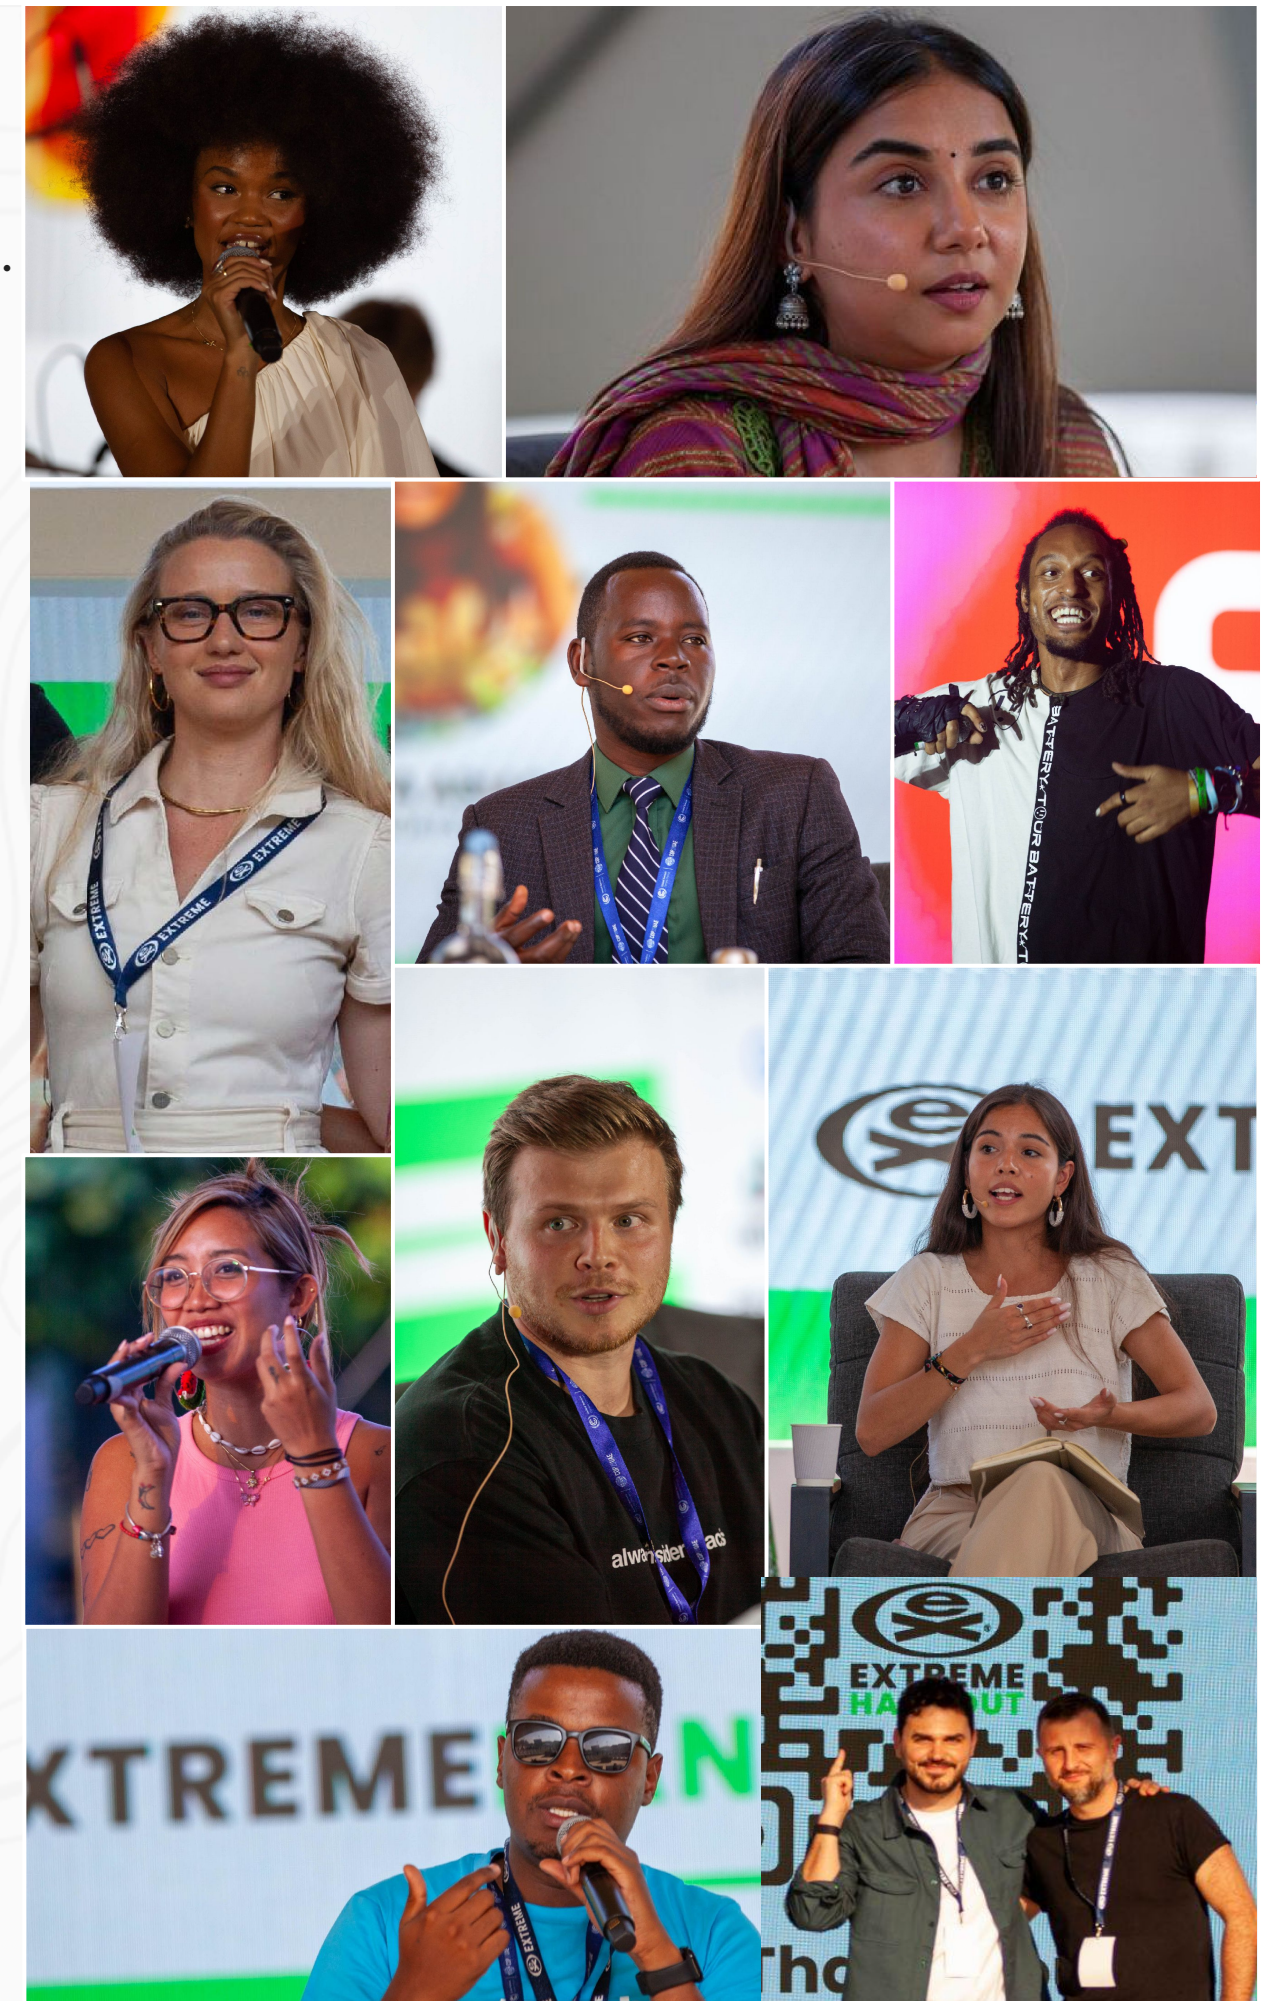

An exploration of how cities move and breathe – through cycling, public transport, street art, and everyday culture in the climate age.

- **Day 11 - Beyond the Algorithm**

Who's shaping the climate story online? This day takes on misinformation, influence culture, and how digital platforms are reshaping activism and trust.

- **Day 12 - Pass it On**

Closing with intention and vision, this day looks at what we're handing over – through youth leadership, intergenerational dialogue, and long-term legacies.

Hangout Hub

The heart of our experience and a welcoming space open to all:

- Hangout, recharge and relax;
- Enjoy drinks at the bar, free tea, coffee and water;
- Hold meetings and relaxed networking events in a informal atmosphere;
- Host lunch, dinner or evening drinks receptions;
- Convene networking opportunities;
- Deliver team workshops;
- 'Overflow' from the Blue Zone;
- Play table tennis, experience a nature based VR experience.

EXTREME HANGOUT

Experiential & Activations

Our Exhibition space and interactive workshop area let organisations showcase products and services, share climate solutions and deliver interactive activations, for example:

- **ASTRAZENECA CEO** Pascal Soriot hosted 200 guests for a “Reimagining Sustainable Healthcare” workshop;
- **OXFORD SMITH SCHOOL** celebrated the success of their Youth Climate Training Programme with a workshop for 100 guests;
- **TIKTOK** held a “How to inspire climate action through authenticity on TikTok” workshop and dinner for 100 guests, led by global creators and changemakers.

WORKSHOP BY
REYANNE MUSTAFA

EXTREME HANGOUT

On-Site Studio Space

Full-service facilities for media partners, creators and sponsors to create storytelling videos, thought leader interviews and organisation profiles in real time at COP30.

At COP28 our studios were used by Extreme, CNN, BBC, Google, Earthrise, Facebook, Tik Tok and many content creators.

Facilities include soundproof studios and recording booths complete with recording and lighting equipment.

A dedicated Selfie Space allows visitors to capture that perfect shot to share across their social media.

COP29 CEO & Changemaker Interviews

Discussing the world of tomorrow, today

The COP29 CEO Leadership Interviews highlighted how pioneers and innovators are making real change and facilitating action.

Filmed in our purpose-built COP29 studio, this collection of video interviews, highlighted the thoughts and visions of leaders, from across the business and sustainability landscape.

Guaranteed distribution through multiple international media channels, digital publishers and social media platforms.

Be part of our leadership evening where we facilitate connection, dialogue, learning and collaboration between leading change makers attending CO30

EXTREME HANGOUT

Social media

We utilise and tap into our own, our speakers and partner's social media to engage the broadest audience possible and showcase panels, amplify stories and drive impact through multiple platforms.

INSTAGRAM

For COP30 we will be building on our COP29 activities which reached a total combined reach of 20.5M from 40 posts per day, 10 daily recap videos, 40+ reels, 100+ posts dedicated to partners and speakers, Extreme Hangout tagged in 135+ posts.

FACEBOOK

The livestream will be streamed to and made available to our 8m Facebook followers

TIKTOK

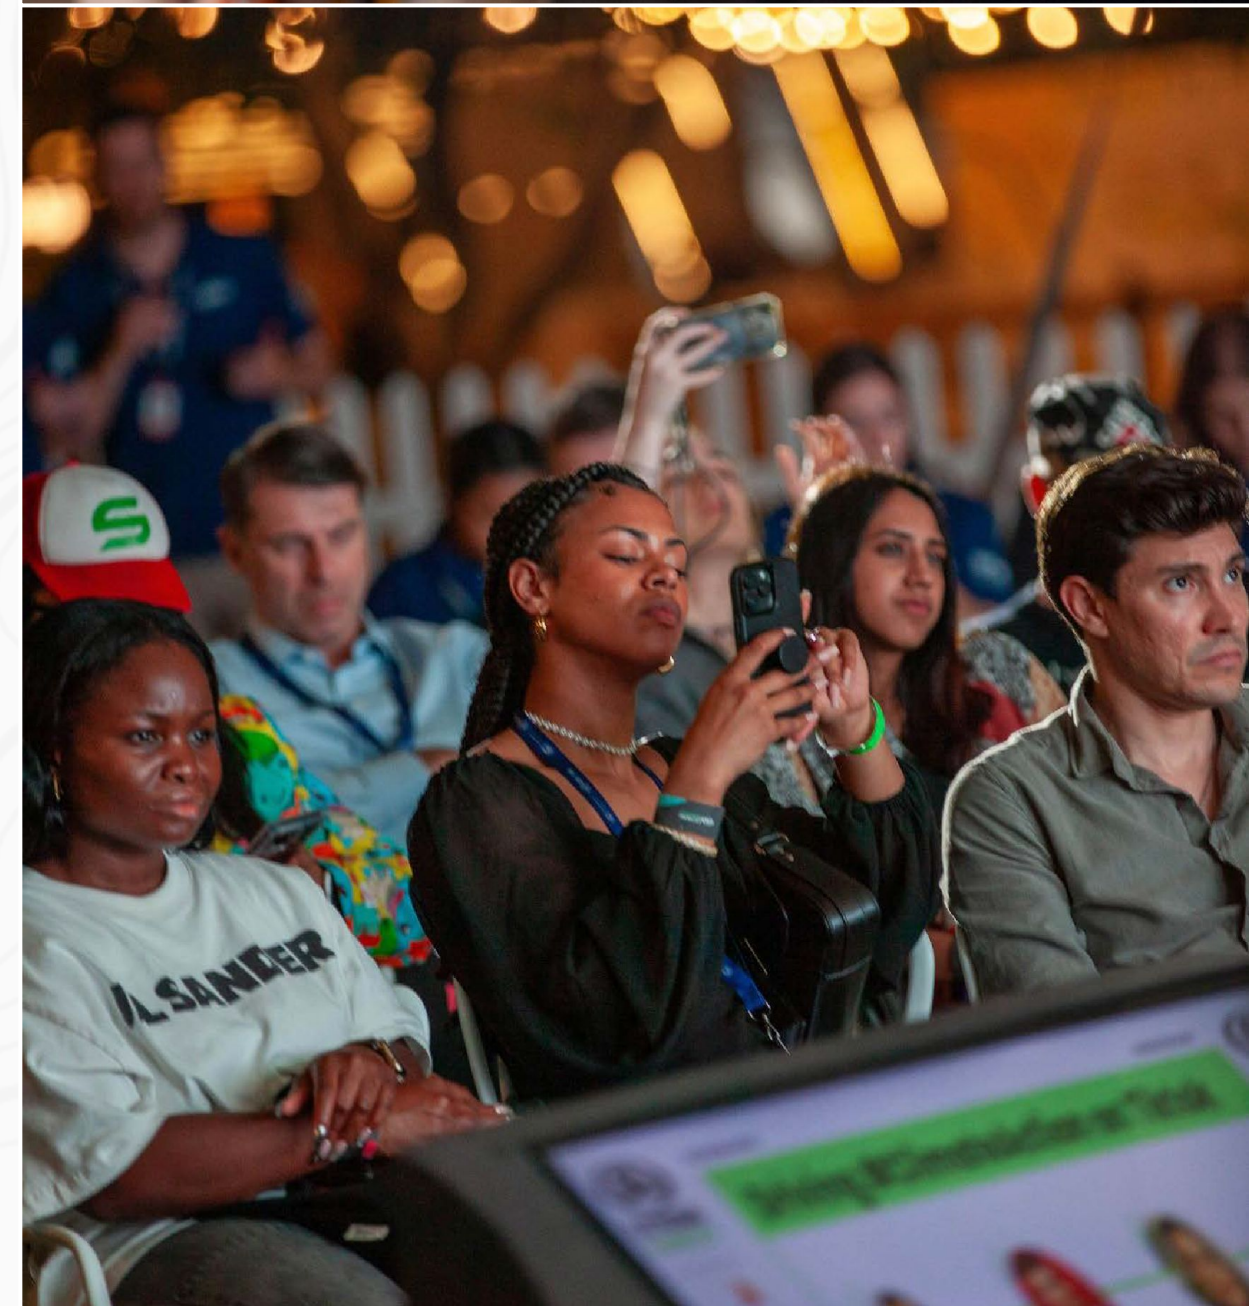

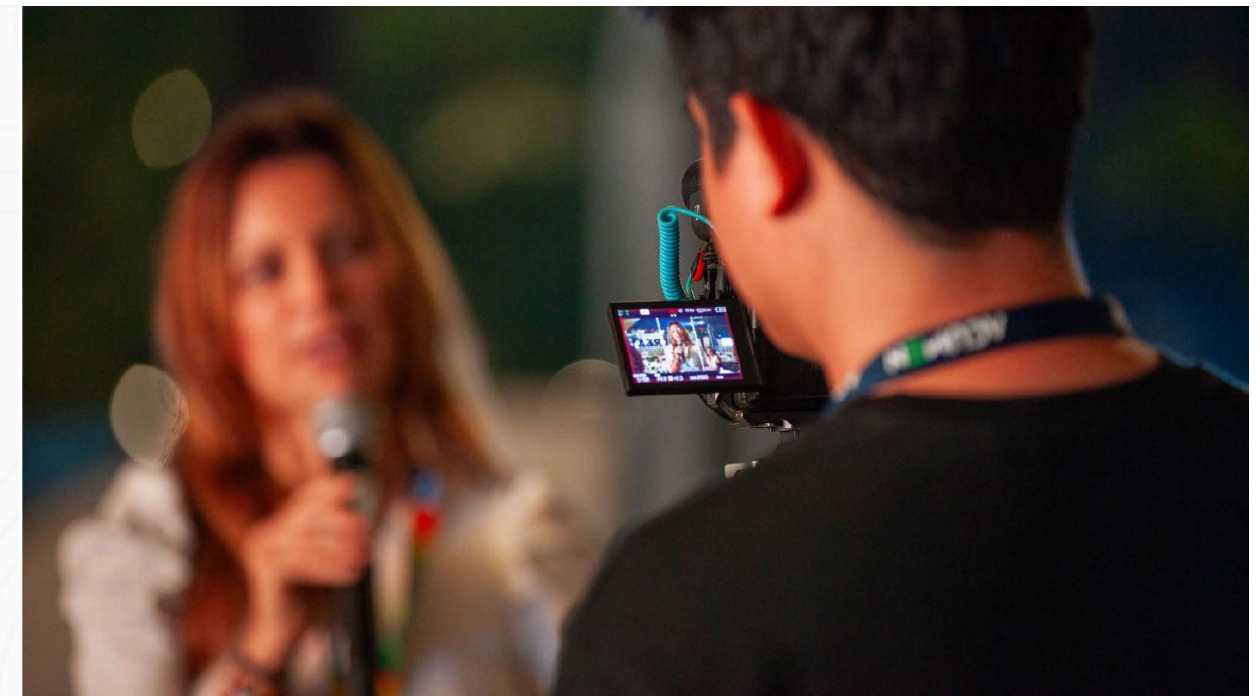

We will be looking to partner with TikTok again for COP30 after the 5 TikTok influencers who attended COP29 posted Extreme hangout content to their combined 14.5 million followers.

LINKEDIN

Access to 55,000+ followers, 65+ sessions announced, then live streamed. 10 daily recap videos. Average engagement rate of 10%.

facebook

EXTREME HANGOUT • COP29 BAKU

Online Hangout & Newsletters

In August 2025 we will launch an online community to support Extreme Hangout.

This platform transforms every standalone Extreme Hangout event into a dynamic, always-on community of changemakers and climate activists.

In addition we email regular newsletter updates and announcements, including daily updates during the event days.

Emails go to the Extreme Hangout climate community database of over 5,000 people, have high engagement, averaging 97% delivery rate and 55% open rate.

EXTREME HANGOUT • COP30 Belém

Partnership Opportunities

“The scale of change needed is only possible with deep trust between business, governments, and citizens - with young people at the fore. That’s why PwC is excited to support Extreme Hangout and help young people engage where they belong: in the heart of efforts to tackle climate change.

RICHARD OLDFIELD • GLOBAL MARKETS LEADER, PWC

PARTNERSHIP OUTCOMES

Partner Benefits

WHY PARTNER WITH US

1. High-Profile Speaking Opportunities

Provide the Secretary, key Ministry figures, and local cultural leaders with curated moments on stage to speak to a global audience about Pará's cultural heritage, sustainability efforts, and leadership in climate action.

2. Hosting Receptions & VIP Gatherings

Opportunity to co-host opening and closing receptions, evening gatherings, and official delegations—showcasing Pará's hospitality, music, and cuisine to international dignitaries, media, and creators.

3. Cultural Activations & Performances

Integrate local artists, indigenous voices, musicians, and storytellers into the program. This positions the Ministry as a champion of cultural preservation and innovation on a global stage.

4. Co-Branding & Visibility

Parque da Residência and the Ministry of Culture will be co-branded across all Extreme Hangout assets: signage, stage design, video content, digital campaigns, and livestreams—seen by global audiences before, during, and after COP30.

5. Studio Access (Audio, Video, and Livestream)

Full access to an on-site content studio for recording interviews, podcasts, short-form videos, and livestreams with cultural voices from Pará and beyond—giving the Ministry ongoing content assets post-event.

6. Professional Content Creation

Receive a bank of professionally produced video and photo content for use across Ministry channels—featuring cultural moments, performances, interviews, and local storytelling.

Partner Benefits

WHY PARTNER WITH US

7. Powerful Networking Opportunities

Build relationships with global changemakers, artists, indigenous leaders, youth activists, influencers, and climate innovators who gather at the Extreme Hangout throughout COP30.

8. International Collaborations in Culture & Climate

Facilitate new cultural exchange initiatives and collaborative projects with other ministries and cultural institutions from across the globe attending COP30.

9. Social Media Reach Through Global Collaborators

Amplify Pará's cultural voice via Extreme Hangout's network of creators, podcasters, influencers and media partners—reaching millions of followers on TikTok, Instagram, YouTube and beyond.

10. Positioning Pará as a New Cultural & Tourism Destination

Frame Belém and the wider Pará region as an exciting, undiscovered destination for eco-conscious travelers and cultural explorers—showcasing its Amazonian beauty, heritage, and vibrant creative community.

11. Youth Engagement & Inspiration

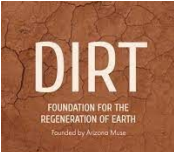

Connect with young people from Brazil and worldwide through authentic, inclusive storytelling—building pride in Pará's culture and energizing a new generation of environmental and creative leaders.

12. Legacy Impact Beyond COP

Leave a lasting cultural footprint by embedding content, partnerships, and visibility that live on far beyond the 12 days of COP—supporting the Ministry's strategic goals into 2026 and beyond.

Past Sponsor and Partners include:

“The most beautiful engaging event and maybe the coolest venue at COP27” **Ivan Duque Marquez,**
Former President of Colombia

“We want to engage and inspire people, popularise the climate conversation, infuse it with hope and opportunity, through diverse, intergenerational, inter-community conversations showing that together we can build the 2050 of our dreams not our nightmares.

We work collaboratively with amazing partners who are thinking outside the box, amplify the volume of all doing meaningful climate action work, hold leaders to account, harness the power of sport and culture, encourage massive behavioural change and do all we can to help shift the climate dial.”

AMBER NUTTALL

EXTREME HANGOUT FOUNDER

WHY PARTNER WITH US

Joining us will allow your organisation to:

- Share your circular initiatives and highlight actionable solutions to boost knowledge and advance climate action
- Create authentic connections with our global community passionate about protecting humanity and regenerating the earth's living systems
- Engage internal teams to amplify your own efforts locally and internationally
